**We invite you to a strategic gathering for kingdom minded leaders at Gideon Christian Fellowship on Saturday the 15<sup>th</sup> of August at 10:00 AM. This will be a time of connecting, dialogue, intercession and strategizing. We received a prophetic word at Glory of Zion, Int'l that we were to take a sword throughout the state and apostolically break the spirit of lack in the different regions. In obedience to the Lord, we are coming into this region to make this timely apostolic release.**

**We look forward to seeing you there and would appreciate an email from you affirming your commitment to join us for this meeting.**
