

In this the love of God was manifested toward us, that God has sent His only begotten Son into the world, that we might live through Him.

1 John 4:9

This is the reason for His coming—that we might have “*LIFE*” in Him. The Greek word, “*zao*”, means to enjoy real life, have true life, to be blessed, to live worthy of the Name, to be strong, efficient, effective, and powerful. Through this life in Jesus we are destined to know and experience the greatness of God, have all limitations removed, have fears replaced with love and faith, and witness the breaking of the enemy's boundaries and strongholds. We have freedom to think God's thoughts, dream His dreams, walk in His authority, and live and advance His Kingdom in the earth as we live through Him!! Our prayer for you during this season is that your heart would be open to embrace God's gift to you—Jesus Christ! In so doing, we pray that your mind would be renewed to break out of the limitations of the past season so that you can walk in partnership with Him to bring life and freedom to others!

Our year has been filled with amazing opportunities to minister His grace and love both here and in the nations. We have been to France and Europe twice this year for ministry and are seeing God divinely connect His people between our nations for Kingdom breakthroughs. We stay very busy with numerous ministry responsibilities including overseeing intercession for David & Naomi Shibley and the ministry of Global Advance, which has trained 425,040 church and marketplace leaders in 74 nations to date. As coordinators for the Louisiana Apostolic Prayer Network, we connect intercessors and apostolic leaders in our state for revival and reformation. Gratefully we are aligned with Chuck Pierce of Glory of Zion, Int'l and Global Spheres, which is an apostolic ministry for apostolic, prophetic, and intercessory leaders worldwide. We're grateful for the privilege of serving the body of Christ in this hour and look forward to upcoming ministry assignments. One of those will be leading a team from Louisiana on a "Covenant Prayer Journey" in February to Israel along with teams from Texas and Mississippi. Our states will be blessing His covenant people, Israel, and securing the covenant relationship between our states and Israel.

We know that many of you have prayed for our daughter, Sherry, during this past year as she has walked through the process of healing after a diagnosis of cancer last November. We are grateful to report that Sherry is "cancer free"! It has been an arduous journey for her, Cammie, and our family, but God has faithfully seen us through this season. Her final surgery was on November 9th, which was the last step in the treatment process. We can testify to the Lord's goodness and provision throughout this journey. It was Cammie's senior year and God faithfully took care of everything that concerned her and Sherry. He saw her through graduation, and now she's a freshman majoring in nursing at Northwestern University here in Natchitoches. When Cammie is not in class, she is busy working at Kaffie-Frederick Hardware, hanging out

at the BCM, or doing lots of homework. Sherry has returned to work again and is trying to ready herself for the busy upcoming tax season. Please pray for continued strengthening of her body and good reports from follow-up visits.

Amy, Paul, and children will be traveling to our house for Christmas this year. They are doing well and staying very busy between church responsibilities and chauffeuring a 15 yr. old, 13 yr. old, and 9 yr. old to dozens of different activities throughout the week. Ashley (15) is a sophomore in high school and seems to have found her niche in tennis and varsity choir. She claims she never gets to breathe because of being in all AP classes. Caleb (13) played football as quarterback this fall and now has moved on to basketball in his never-ending sports quest (which he excels at). Of course this is intermingled with golf and X-Box 360. Hannah (9) is staying busy training and overseeing the newest family member, Dexter the dog. Between the two of them, the White house remains full of excitement as well as anticipation of what might happen next!

We are thankful for such a precious family, extended family, and the many friends God has given us—a special thanks to those of you who have partnered with us prayerfully and financially this year. As I write this Christmas letter, it is actually snowing in Natchitoches, Louisiana—Amazing! I believe God has things He wants us to see in this season that we've not seen before. We encourage you to "look again" during this Christmas season and see things through His eyes, see things more clearly, and view things from His perspective.

We pray for the Lord's richest blessings to rest upon you and your family.

Have a Merry Christmas and a Blessed New Year!

Roger & Charlotte

Sherry-----thanks for praying!!!!
