

Dear Friend:

As I (Charlotte) awakened this morning, the Lord began to speak to me about how critical it was for all of us to receive the ministry of deliverance in this hour. He reminded me of how personal deliverance, which is for the Body of Christ, affects not only those receiving ministry but also our territories. Peter Wagner teaches on the three levels of spiritual warfare—ground level, occult level, and strategic level. Ground level relates to the deliverance of individuals, occult level relates to witchcraft, spiritism, Freemasonry, and other occult practices, and strategic level involves principalities, powers, and rulers over territories.

If you study the activities of Paul and other New Testament ministers, you will find that when they dealt with ground level warfare, it began to shift the spiritual atmosphere and release the harvest in regions as well as affect trade and the spirit of Mammon. These three levels of warfare cannot be separated. When Paul cast the demon out of the slave girl in Philippi, the whole spiritual atmosphere of that city began to change. There was a power encounter, people began to receive salvation, and a church was birthed.

The point is that we as the church will not see reformation in our cities, state, and nation as long as we are not walking in freedom. Often times we are unaware of it, but we can be personally influenced by occult and strategic level warfare in the region in which we live. As we obtain freedom, it begins to shift our territories.

This is one of several reminders concerning the "Producing Freedom for Your Future" conference in Pineville, LA next week. It's still not too late to register, and we understand there is an opportunity to participate in this conference through the internet if you are unable to attend in person. If you've missed this notification in our former emails, below is an excellent overview of the conference and details for registration released by Chuck Pierce.

Please prayerfully consider being a part of this opportunity to experience new freedom. Because Louisiana has battled one of the strongest occult structures in the nation, this should be a priority for us. Not only do we need to position ourselves for personal deliverance, but also we need to be trained to minister deliverance to others.

Let's get prepared for harvest!
Blessings,
Roger & Charlotte Merschbrock

From Chuck Pierce:

With the chaotic situations that surround us in the world, the word FREEDOM becomes very important. He who the Son sets free is free indeed! Global Harvest Ministries is excited to announce a gathering in **Pineville, Louisiana on June 11-13**. Come and bring those with you who need to experience freedom to Producing Freedom For Your Future.

You will learn more about deliverance and receive personal ministry in your own life. To help release this level of ministry, we have assembled an incredible group of speakers who clearly hear from the Lord. Dr. Peter Wagner will be convening this gathering. Doris Wagner is the heartbeat for this gathering. She has years of ministry experience in the field of deliverance. Bill Sudduth and I, along with a wonderful team, will be ministering. The content is also extremely beneficial for those who are engaged in ministry - such as counselors, pastors, intercessors and other church staff. We have designed this gathering to help individuals:

- Gain a solid foundation for understanding the work of the demonic in peoples' lives
- Receive practical information on overcoming demonic powers and strongholds of the enemy.
- Gain freedom from Freemasonry
- Understand the perils of yoga, eastern religion, and martial arts
- Break free from generational iniquity, spiritism and witchcraft
- Overcome rejection

Deliverance, Freedom and Restoration are main themes of the Bible. Deliverance is for the Body of Christ! We are in key times when the ministry of deliverance must become a vibrant focus for the Church to influence the world around us. A new level of understanding deliverance must arise for the coming revival to be sustained. Let's come together and allow the Deliverer to meet us!

Pastor Russell Cobb and Word of Grace Church will be helping host this gathering held in Pineville, Louisiana. We will begin on Thursday evening at 7 PM, meet all day Friday, and conclude on Saturday by noon. The registration cost is \$65/person or \$120/married couple.
