

Here is the Mississippi Mercy Itinerary:

We are releasing a CALL for worshippers to arise and worship for a 12-day period (Whatever that looks like to you) between Mother's Day and Memorial Day weekend (12 days between Life and Death, May 11-22) at the "River of the Holy Spirit" otherwise known as the Mighty Mississippi.

Many of us will gather at New Orleans on Monday evening May 11, and then travel and worship up the river to Bemidji MN on Thursday May 21 and then ending on the Canadian border in Baudette and International Falls, MN on Friday May 22, believing God to release a Tsunami of Mercy in the heart of this nation.

We will release our itinerary and you are welcome to join us, but this is neither about a man nor a meeting! **It is about a massive move of worship!**

Choose your time, choose your place, choose your manner of worship, if at all possible come to the river but if you can't, worship where you are in union with this prophetic mandate!

Can a nation "RUMBLE" for 12 days?

Can those with voices lift up their voice and open portals for the sounds of LIFE to be loosed throughout our nation?

Sound is light! Matthew 4:16

...The people living in darkness have seen a great light; on those living in the land of the shadow of death a light has dawned."

Worship Teams...

Worship teams and base camp intercessors, release these eternal commands from your positions these twelve days. Track with us, as we move up river, so there is orchestrated movement of worship, command, and decree, from the heart of America.

It is important that we worship not just as the team is traveling through your state but intercede for the other states as well throughout the twelve days.

It would be good to obtain a copy of *Releasing the Prophetic Destiny of a Nation* by Dutch Sheets and Chuck Pierce, so together we can agree with, and call forth, the prophetic declarations over each state these twelve days.

Link...

Because we have all been involved in an eternal work with those who have gone before us. We want to - on purpose, with understanding - "Link" this prayer initiative with every other blood-bought, heaven ordained prayer meeting and journey that has been before the throne, so that this orchestration is setting atop all other obedient moments in the eternal preparation of the Kingdom.

Through this alignment we can release the full weight of the judgments prepared for the false altars and idolatrous commotion of the worship structures that have been empowering thrones of iniquity in the heart of our nation.
