

Israel Prayer Guide
Covenant Prayer Journey
February 26th through March 7th

Here is a guide to assist you in praying, but please be led by the Holy Spirit—the main goal is that we all join together in prayer!

Prayer Guide:

1. Pray for the peace of Jerusalem. (Ps. 122:6-7) Speak peace to the borders of Israel and ask the Lord to bless and protect them. Ask the Lord to be a wall of fire around Jerusalem and the glory in her midst. (Zech. 2:4-5)
2. As you speak His peace over Israel, pray against and bind any strategies of the enemy such as unrest, uprisings, terrorism, or violence. Pray that our time there will not be hindered or thwarted in any way.
3. Each of our states is planning to take proclamations from our government stating our support for the nation of Israel. These requests have been submitted and are pending. Please pray for favor and for the granting of these proclamations in due time with the wording that will honor and bless Israel.
2. Pray for our appointment with Knesset member, David Rotem. Pray for favor and for the Lord to arrange the time, the venue, and every detail of our meeting with him.
3. Pray for the release of the financial resources needed by every person on the trip.
4. Pray concerning our flights and every connection—no delays, cancellations, mechanical difficulties, or inclement weather. Pray also that everyone's luggage will arrive with them.
5. Pray for good weather in Israel that is conducive to the varied planned activities.
6. Pray for team unity—to be of one heart and one mind with the same purpose and focus.
7. Pray for divine connections and appointments.
8. Pray for health and protection over every person who is signed up for this trip and for their families.
9. Ask the Lord for angelic ministry and protection throughout our trip.
10. Pray for each traveler to be diligent and efficient in their preparation and packing—pray that everyone will remember to bring tickets, passports, medications, etc.

11. Ask the Lord for traveling mercy—"The LORD shall preserve your going out and your coming in from this time forth, and even forevermore." (Ps. 121:8)

12. Pray for the leaders, particularly Tom Schlueter from Texas, who will be making decisions and overseeing the team. (Support leadership: Billy Joe & Ruthie Young from MS; Roger & Charlotte Merschbrock from LA)

13. Pray for a smooth flow of all the logistical details of this trip.

14. Pray for our hearts to be prepared to be a blessing to God's covenant people, Israel.

Here is the vision again for our "covenant prayer journey": We are securing one of the most important covenant relationships we have, which is with the nation of Israel. We are declaring that we are rooted in covenant with God's heart for the Jewish people and we are recognizing Israel's role in the earth; a role of blessing. In order to strengthen the Lord's covenant promises with us, we are intentionally blessing the nation of Israel by coming alongside them to re-confirm our covenant with them.

Primary Prayer Concern: In preparing for this spiritually significant assignment, we must be alert to any attempts of the enemy to diminish our authority by challenging us in the area of "covenant". We must be willing to submit to the Lord in all areas related to covenant issues. As we are challenged in any area of covenant relationship—husband/wife; parent/child; friends; co-workers in the Kingdom; or even our covenant relationship with God, pray we will arise and declare that His Covenant rules over our lives. **As we allow Him to have authority in these areas, then we will have authority when we stand on the land in Israel.** Otherwise it will be a mockery and we will have limited affect for the Kingdom. This is not talking about perfection, only about obedience to the Lord when we have opportunity to choose!

The journey begins now as we pray!

Blessings,

Roger & Charlotte Merschbrock
